every
arcade

apple
game is
handpicked

to bring together an incredible variety of games for all play styles and generations types of games include puzzle strategy adventure simulation board card sports and more

in addition to the free next gen upgrade the cross gen bundle offers a fair amount of quality in game items to help jumpstart your nba 2k22 experience these bonuses are not restricted to a pre order status and will be rewarded to you once you download the game

play exclusive arcade originals like nba 2k22 arcade edition timeless classics like solitaire by mobilityware and app store greats like fruit ninja classic arcade originals are playable across iphone ipad mac and apple tv timeless classics and app store greats are available on iphone and ipad

the nba isn't the only basketball league celebrating an anniversary the upcoming season will mark season 25 in the wnba to memorialize this eventful season not only will an entire wnba special edition be available for purchase but a woman will be featured on the cover for the first time in history

another easy vc method that's making waves in the 2k community over the past few hours involves a glitch on the current gen courts more specifically this glitch works best on the 10k vc courts but it technically functions on any court if you'd like to earn a smaller reward
