The filmmaking industry is still enjoying an action film renaissance, and that's set to continue with the latest film from director Jalmari Helander, Sisu (2023). Fans of the action genre have understandably been most talkative about the latest entry in the current fan-favorite franchise, John Wick: Chapter 4 (2023), which is all but guaranteed to be one of the year's biggest blockbusters. It's certainly one of 2023's most anticipated films, but inevitably, action junkies will be patient for the next installment once the film premieres later this March. Thankfully, perhaps foreseeing the itch for some more entertaining action films, Lionsgate is set to release another film that looks quite "Wickian" in nature.

Sisu takes audiences to World War II-era Finland, where a seemingly average elderly prospector by the name of Aatami Korpi (Jorma Tommila) stumbles upon an absolutely massive repository of gold. Now he has to travel over five hundred miles to deliver the gold to the nearest bank but hits a significant speed bump when he encounters a band of greedy Nazi soldiers. Armed with his trusty dog, a pickaxe, and a whole lot of guns, Korpi will have to fight his way to the far-off town and dig up some painful wounds from a past life.

Jalmari Helander's action-packed extravaganza already made a big splash in 2022 following a premiere at the Toronto International Film Festival, and now it's set to get a wider theatrical release fairly soon. To learn all about the new film's trailer, cast, and release date, here is everything we know so far about Sisu.

### Who's In the Cast of Sisu?

Playing the lead role of badass Nazi-killing prospector Aatami Korpi is Jorma Tommila. Fans of filmmaker Jalmari Helander's prior work may very well recognize Tommila, as he has frequently collaborated with Helander on his other projects like *Rare Exports* and *Big Game*. Tommila will also once again be acting alongside his real-life son, Onni Tommila, who also starred in *Rare Exports* and *Big Game*. It seems quite clear that the experienced father and son duo have become something of a good luck charm in Helander's filmography. The rest of the cast is rounded out by Aksel Hennie (*The Martian*), Paul Anderson (*Peaky Blinders*), Jack Doolan (*The Boys*), and Mimosa Willamo (*Aurora*).
